## **Secretary of State's office reviewing voting complaint**

The Nebraska Secretary of State's office has received a voting complaint filed by Nebraskans for Civic Reform in Lincoln. The complaint alleges that voters at two separate polling locations in Omaha were asked to provide their voter identification numbers in order to receive provisional ballots on Election Day, November 6, 2012.

This is the second complaint filed under the Help America Vote Act since it was implemented in Nebraska in 2002. At this time, the complaint is being reviewed by the Secretary of State's office.
