Proposed Constitutional Amendment Language

(underscored language indicates added language, ~~strike through~~ indicates language being removed)

TEXT: Article III, section 24, of the Constitution of Nebraska shall be amended as shown:

(1) Except as provided in this section, the Legislature shall not authorize any game of chance or any lottery or gift enterprise when the consideration for a chance to participate involves the payment of money for the purchase of property, services, or a chance or admission ticket or requires an expenditure of substantial effort or time.

(2) The Legislature may authorize and regulate a state lottery pursuant to subsection (3) of this section and other lotteries, raffles, and gift enterprises which are intended solely as business promotions or the proceeds of which are to be used solely for charitable or community betterment purposes without profit to the promoter of such lotteries, raffles, or gift enterprises.

(3)(a) The Legislature may establish a lottery to be operated and regulated by the State of Nebraska. The proceeds of the lottery shall be appropriated by the Legislature for the costs of establishing and maintaining the lottery and for the following purposes, as directed by the Legislature:

(i) The first five hundred thousand dollars after the payment of prizes and operating expenses shall be transferred to the Compulsive Gamblers Assistance Fund;

(ii) Forty-four and one-half percent of the money remaining after the payment of prizes and operating expenses and the initial transfer to the Compulsive Gamblers Assistance Fund shall be transferred to the Nebraska Environmental Trust Fund to be used as provided in the Nebraska Environmental Trust Act;

(iii) Forty-four and one-half percent of the money remaining after the payment of prizes and operating expenses and the initial transfer to the Compulsive Gamblers Assistance Fund shall be used for education as the Legislature may direct;

(iv) Ten percent of the money remaining after the payment of prizes and operating expenses and the initial transfer to the Compulsive Gamblers Assistance Fund shall be transferred to the Nebraska State Fair Board if the most populous city within the county in which the fair is located provides matching funds equivalent to ten percent of the funds available for transfer. Such matching funds may be obtained from the city and any other private or public entity, except that no portion of such matching funds shall be provided by the state. If the Nebraska State Fair ceases operations, ten percent of the money remaining after the payment of prizes and operating expenses and the initial transfer to the Compulsive Gamblers Assistance Fund shall be transferred to the General Fund; and

(v) One percent of the money remaining after the payment of prizes and operating expenses and the initial transfer to the Compulsive Gamblers Assistance Fund shall be transferred to the Compulsive Gamblers Assistance Fund.

(b) No lottery game shall be conducted as part of the lottery unless the type of game has been approved by a majority of the members of the Legislature.

(4) Nothing in this section shall be construed to prohibit (a) the enactment of laws providing for the licensing and regulation of wagering on the results of horseraces, wherever run, either within or outside of the state, by the parimutuel method, when such wagering is conducted by licensees within a licensed racetrack enclosure or (b) the enactment of laws providing for the licensing and regulation of bingo games conducted by nonprofit associations which have been in existence for a period of five years immediately preceding the application for license, except that bingo games cannot be conducted by agents or lessees of such associations on a percentage basis.

(5) This section shall not apply to any law which is enacted contemporaneously with the adoption of this subsection or at any time thereafter and which provides for the licensing, authorization, regulation, or taxation of all forms of games of chance when such games of chance are conducted by authorized gaming operators within a licensed racetrack enclosure, including sports wagering through the Internet if the person placing the sports wager is located within the State of Nebraska at the time the wager is placed.

Arguments For and Against Initiative Measure 440

Supporters contend:

Vote FOR Initiative 440 to legalize online sports wagering and direct more than \$166 million to property tax relief. We know Nebraskans are already wagering on sports through illegal and offshore platforms or driving to a neighboring state where wagering is legal. This means millions of dollars in tax revenue leave our state every year. Initiative 440 keeps the money in Nebraska through a legal, regulated and secure marketplace that is projected to deliver more than \$166 million in direct property tax relief to Nebraska homeowners, farmers, ranchers and small businesses over the next ten years. Legal online sports wagering will keep the money in Nebraska and generate millions of dollars in real property tax relief. Vote FOR Initiative 440.

Opponents contend:

Initiative Measure 440 turns every phone into a casino, every play into a wager, and every athlete into a target—sending hundreds of millions of dollars out of Nebraska to out-of-state gambling conglomerates. It is funded by out-of-state billion-dollar gambling corporations and opposed by many Nebraska leaders, players, and coaches. Online sports betting fuels corruption in sports and is one of the most common forms of abuse athletes receive, including threats of violence to themselves and their families. Every teenager with a phone will face aggressive advertising, while taxpayers and families get no real property tax relief, as casinos promised five years ago, and will be forced to pay for increased social costs. Vote AGAINST Initiative Measure 440 to protect Nebraska families, taxpayers, and student-athletes.

Shall statutes be enacted that: (1) Allow persons located within Nebraska to place sports wagers through an Internet-based platform when offered by an authorized gaming operator conducting games of chance within a licensed racetrack enclosure in Nebraska or the operator's platform provider; and (2) Regulate such sports wagers?

If such authorized gaming operator or its platform provider determines that the winner is subject to the collection system, the operator shall deduct the amount of debt and outstanding state liability identified in the collection system from the winnings payment and shall remit the net winnings payment of sports wagering winnings, if any, to the winner and the amount deducted to the Department of Revenue to be credited against such debt or outstanding state liability as provided in section 9-1306.

Arguments For and Against Initiative Measure 441

Supporters contend:

Vote FOR Initiative 441 to create and regulate a safe and secure online wagering marketplace in Nebraska and use existing state gaming laws to direct more than \$166 million to property tax relief. Initiative 441 creates the legal and regulatory framework for online sports wagering, with real consumer protections and oversight by the Nebraska Racing and Gaming Commission. More importantly, this initiative requires that 70 percent of all wagering tax revenue goes directly to Nebraska's Property Tax Credit Cash Fund. That means more than \$166 million in real property tax relief goes straight to Nebraskans over the first ten years. Legal and regulated sports wagering means millions in direct property tax relief. Vote FOR Initiative 441.

Opponents contend:

Initiative Measure 441 puts out-of-state gambling interests ahead of Nebraska taxpayers and student-athletes. It would turn every phone into a casino, every play into a wager, and every athlete into a potential target—sending hundreds of millions of dollars out of Nebraska to the pockets of out-of-state gambling companies. It is opposed by many Nebraska players, leaders, and coaches. Online sports betting fuels corruption in sports and is one of the most common forms of abuse athletes receive. Every teenager with a phone will face aggressive advertising, while taxpayers and families will face increased social costs and no real property tax relief. Vote AGAINST Initiative Measure 441 to protect Nebraska families, taxpayers, and student-athletes.

Proposed by Initiative Petition

A vote “FOR” will amend the Nebraska Constitution to provide: (1) Schools must expressly designate each athletic team or sport as one of the following based on biological sex: (a) Males, men, or boys; (b) females, women, or girls; or (c) coed or mixed; and (2) Athletic teams or sports designated for females, women, or girls shall not be open to students of the male sex. The amendment would apply to all athletic teams or sports sponsored by public schools or postsecondary educational institutions, and private schools or educational institutions whose athletic teams or sports compete against public schools or institutions.

OBJECT STATEMENT: The object of this petition is to amend the Nebraska Constitution to establish constitutional protections for sex-separate athletics to ensure equal access to athletic opportunities for females.

Proposed Constitutional Amendment Language

(underscored language indicates added language, ~~strike through~~ indicates language being removed)

TEXT: Article VII of the Constitution of Nebraska shall be amended by adding a new section 16 as shown:

Art. VII §16. Equal access to athletic opportunities for females.

(1) Schools must expressly designate each athletic team or sport as one of the following based on biological sex: (a) Males, men, or boys; (b) females, women, or girls; or (c) coed or mixed.

(2) Athletic teams or sports designated for females, women, or girls pursuant to subsection (1) of this section shall not be open to students of the male sex.

(3) For purposes of this section, “schools” shall mean interscholastic, intercollegiate, and intramural athletic teams or sports that are sponsored by a common school of this state, a public postsecondary educational institution of this state, or any school or institution of learning in this state not owned or exclusively controlled by the state or a political subdivision thereof whose athletic teams or sports compete against a common school or public postsecondary educational institution of this state.

(4) This section shall be self-executing, but legislation may be enacted to facilitate its operation. If any part or parts of this section are

found to conflict with federal law or the Constitution of the United States, this section shall be implemented to the maximum extent permitted by federal law and the Constitution of the United States. Any provision held invalid shall be severable from the remaining portions of this section.

Arguments For and Against Initiative Measure 442

Supporters contend:

Initiative 442, Fairness for Girls, protects fairness, opportunities, and safety for Nebraska girls in sports. It establishes constitutional protections for sex-separated athletics in Nebraska grade schools, high schools, and colleges. Fairness for Girls ensures female athletes are not forced to compete against biological males. Allowing biological males to compete against girls poses safety risks because of physical differences in strength, bone density, and size, increasing the likelihood of injury. The initiative protects female athletes from losing scholarships, medals, or tournament advancement after being displaced in rankings by biological males. Fairness for Girls protects every girl's opportunity to succeed on a fair playing field.

Opponents contend:

Initiative 442 adds unnecessary limits on participation in girls' sports into the Nebraska State Constitution. Initiative 442 raises significant concerns about fairness and privacy by making gender verification constitutionally required for girls and young women who want to play sports at their public school, college or university, but would not place a similar requirement on boys and young men. It would also empower bad actors to unfairly cast doubt on young athletes who don't fit within traditional gender expectations. Proponents say that this measure is about promoting fairness and safety by ensuring transgender girls cannot participate, but it would actually subject all girls to greater barriers and risk of harm and create a constitutional right to bully kids about their appearance. Vote AGAINST 442.
