Secretary Evnen issues statement following the release of Nebraska Supreme Court Opinion

Secretary of State Bob Evnen released the following statement following the Friday release of the Nebraska Supreme Court Opinion concerning the case Common Cause v. Evnen. The court concluded that the matter of whether the Nebraska Voter Registration List should be provided to the U.S. Department of Justice in compliance with their request is moot given that the list was provided in February.

“We notified all parties and the court in December that I would comply with the U.S. Department of Justice request for the Nebraska Voter Registration List on February 12, 2026, unless the trial court or the Supreme Court ordered otherwise. On February 11, The Supreme Court denied the plaintiff’s request for an order preventing the data from being sent. The data was sent on February 12.

I am pleased that a resolution has been reached on this matter.”
