Secretary of State certifies ballot for 2026 general election

Today, Secretary of State Bob Evnen certified the final list of candidates for office and ballot measures for the November 3 general election ballot.

The 2026 general election will include three initiative ballot measures. Ballot numbers were selected through a random drawing, starting with #440. Ballot numbers are as follows:

- #440 Online Sports Wagering Authorization
- #441 Online Sports Wagering Regulation
- #442 Fairness for Girls

"County election offices and the Elections Division have done an excellent job verifying petitions and ensuring candidates were properly filed so that we could certify the general election ballot on time," said Secretary Evnen. "We are confident that all the appropriate checks have been completed and confirmed despite the rather unusual number of issues we faced this year."

As required by Nebraska state law, the Secretary of State's office will conduct hearings in October on ballot measures in each of the three congressional districts. Further details will be available soon. The Elections Division will prepare informational pamphlets to be distributed at these hearings. The pamphlets will also be made available online and in county election offices.
