Such citation shall be in writing and shall set forth the exact charges against the licensee or solicitor. The citation shall be served upon the licensee or solicitor at least twenty days prior to the hearing in the same manner that summons of the district courts are served. If the citation is against a solicitor, a true copy of the citation shall also be served upon the licensee under whose license the solicitor's certificate was issued.

011.02. In preparation for and the conduct of such hearing the Board may issue subpoenas to require the attendance and testimony of witnesses, the production of any pertinent records, papers, books and documents, may administer oaths, examine witnesses, and take any evidence it deems pertinent to a proper determination of the charge. The party against whom the citation has been issued shall have the right to obtain from the Secretary of State subpoenas for such witnesses the party may desire to have at such hearing. Depositions may be taken and used at such hearings in the same manner as they are taken and used in the district courts of this state. Witnesses so subpoenaed shall receive the same fees as witnesses in the district courts of this state.

011.03. The Board shall record the testimony given at the hearing and maintain a file containing such testimony as well as a record of all witnesses who appeared and all documents or items offered as exhibits.

011.04. After such hearing the Board shall approve by a vote of a majority of its members a statement of its findings in writing and signed by the Secretary of State. If the Board finds that the cited licensee or solicitor has failed to comply with the specific requirements of the Act, or failed to comply with the general intent and purposes of the Act, the Board may revoke such license or certificate, or suspend such license or certificate for a specified time. A certified copy of the findings shall be served upon the cited licensee or solicitor by certified mail within five days of the issuance of such findings.

011.05. The Board may make the reinstatement of a suspended license contingent upon satisfactory evidence being produced that the suspended licensee or certificate holder has acted to remedy the situation or action which was cause for the suspension or has taken steps to ensure that the situation or action does not re-occur. Any such requirement shall be included in the findings of the Board in addition to such revocation or suspension.
