Reported Problems

1. Hayes County did not place either Legislative District 44 or Mid Plains Community College Board on the ballot, apparently misapplying the automatic advancement statutes. As candidates in both races were unopposed, the outcome of the election was not impacted.
2. A poll worker in Hayes County mistakenly provided a non partisan voter a Nebraska Party ballot. The county did not follow statutory procedure by randomly eliminating one of the ballots, so the vote is recorded within the canvass report. As races for Nebraska Party candidates were uncontested, the outcome of the election was not impacted.
3. Banner County did not place the Western Community College Board on the ballot apparently misapplying the automatic advancement statutes. As the candidate was unopposed, the outcome of the election was not impacted.
