Full Access for Conceal and Open Carry Weapons

The object of this petition is to:

Allow legally concealed or open carry weapons to be carried wherever the public is allowed to be, through a constitutional amendment.

Article 1 of the Constitution of Nebraska shall be amended by adding a new section 32 as shown:

Any individual who is legally carrying one or more concealed or open carry weapons shall be allowed to carry such weapons in every non-Federal location in the State of Nebraska at times and locations where the public is normally invited to attend or be present.

If a private property owner does not allow weapons on the property of that owner, the weapon carrier, if asked to leave the area, is required to leave in order to avoid legal repercussions sought by the private property owner.

Any governmental body may only request a weapon carrier to leave the area controlled by that governmental body if an armed security personnel is present to ensure the safety of all individuals present.

This proposed measure is to be implemented on January 9, 2023.
