INSTRUCTIONS FOR USING THIS SCHEDULE

Records retention and disposition schedules are designed to serve as your records management guideline for storing and disposing of agency records, **regardless of the media on which they reside**, including paper, microfilm, diskettes, optical disks, CDs, DVDs, servers, computer hard drives, etc. State Agencies General Records Schedule No. 124 contains those records common to most state government agencies. This schedule takes precedence over General Records Schedule 124.

This schedule provides ongoing authority to dispose of paper records that do not have a permanent retention period after electronic copies have been made in accordance with Neb. Rev. Stat. § 25-12,112 (Reissue 1995) and to dispose of paper or electronic records once the record's retention period has expired unless it is subject to a legal hold. The University of Nebraska assumes the responsibility to migrate these electronic records to a new system, software, and/or storage medium when the current system, software, and/or storage medium become obsolete, to ensure that this information remains accessible for the entire required retention period.

DISPOSING OF RECORDS

1. Check your schedules to see what the retention period is.
2. Dispose of records that have met their retention periods unless they are subject to a legal hold.
3. Complete a **Records Disposition Report** for the records you dispose. The Records Disposition Report form is the last page of this schedule. Remove the form, copy it, complete the form, copy it for your records, and send the completed form to the Records Management Division at the address below. If you wish, you may receive this form electronically by contacting the Records Management Division. The completed report establishes that the destruction or other disposition of records was done in the normal course of office activities.
