

Steps to become an Electronic Notary Solution Provider

This guidance document is advisory in nature but is binding on an agency until amended by such agency. A guidance document does not include internal procedural documents that only affect the internal operations of the agency and does not impose additional requirements or penalties on regulated parties or include confidential information or rules and regulations made in accordance with the Administrative Procedure Act. If you believe that this guidance document imposes additional requirements or penalties on regulated parties, you may request a review of the document.

Solution Providers must complete the Electronic Notary Public Training Course and pass the exam.

Eligibility to register as an electronic notary solution provider:

- Register to do Business in Nebraska;
- Satisfy the educational requirements;
- Review additional requirements solution providers must meet defined in [Chapter 7 – Electronic Notaries Public](#).

Step 1: Register to do business in Nebraska

Click the link above to register to do business in Nebraska. You can complete the application to do business and submit it online through our [e-delivery portal](#) or you can mail in your completed application with the fee. If you are already registered to do business in Nebraska, please proceed to the next step.

Step 2: Complete the approved training course

Step 3: Take and pass the Electronic Notary Exam

[In-Person Electronic Notary Exam](#)

Click the link above to take the electronic notary exam. You will be redirected to ClassMarker to complete the exam online. When registering with ClassMarker, you will need to enter a password that will be given to you in the training course.

Complete the exam without the assistance from others. The exam consists of 20 questions. The individual who will sign the application on behalf of the online notary solution provider must be the person to take the course and pass the exam.

Please save a copy of your passing examination certificate as a PDF to upload when you submit your application.

Step 4: Complete the In-Person Electronic Notary Solution Provider Application

1. [Complete the electronic notary solution provider application](#). Provide detailed written responses for all questions.
2. Email sos.enotary@nebraska.gov the following required items:
 - [Electronic notary solution provider application](#)
 - Exam certificate
 - Example of the seal and signature your solution will provide specifically for Nebraska notaries.

You will receive an email notifying you when your application has been processed.

Step 5: Provide a demonstration of your platform

Once your application is processed, we will reach out to the contact person on the application to schedule a demonstration. Click the link below to review our checklist when we review your demonstration. [Electronic Notary Solution Provider Checklist](#).

If your demonstration is approved, we will send you your approval letter. If your demonstration does not meet the requirements, you will receive a correction letter with the items that need to be amended before approval.

Step 6: Approval

Once you receive the email notifying you that your application has been approved, you may now offer your solution to Nebraska Notaries.

Please note, an electronic notary solution provider must complete the solution provider application again if they need to update our office of any changes, modifications, or updates to information previously submitted to the Secretary.

You must submit a separate application to become an online notary solution provider to offer those services for Nebraska notaries.

If you have any questions, please contact the Notary department at: sos.notary@nebraska.gov or (402)471-2558.
